The long rain and storm have passed. And even though you may not understand why the storm had to come, yield to the power of time. With time clarity and answers can come. And with time, you can recover—more than you may ever have expected. Just keep moving forwards. Remember that, in the ground unseen, seeds of promise have been watered and are moving towards their fruitful destiny.

Refuse to let the chaos of life shake you. Stand fast in what you know to be true, rejoice in the loved ones around you, and allow the beauty to overtake the noise. If you look, you will find it radiating through – vibrant and colorful – shimmering in all its glory. Give thanks for what you have and refuse to be derailed by what is out of reach. Today is enough and worthy of gratitude.

We hope the art and the colorful encouragement speak to you. Enjoy life and stay in the flow!
