

**Beautiful Blaze** is the name of this *Inspired Flow Art* piece. The colors in it are:

- Red representing intensity
- Yellow representing light
- Orange representing fire
- Berry representing fruitfulness

In the moments of fiery trials when fear and frustration start to set in, remember that gold is refined in the fire – in the heat its impurities are burned away. So be like the gold and grow more beautiful in the blaze. Let hardships define you by refining and purifying you, bringing forth character as beautiful as gold.

Just as a diamond is created under pressure, let the things that would seek to crush you instead bring your strength.

We hope the art and the colorful encouragement speak to you. Enjoy life and stay in the flow!
