You aren't alone. You aren't forgotten. You are seen, and you are loved. Refuse to let anyone convince you otherwise – that includes you convincing yourself. Be kind to yourself. You're worth it. Embrace who you are because who you are is good.

You may feel as though you are hiding in the shadows, but you are seen, you are known, and you are loved. You do not live in obscurity. You have life to offer to those around you. You are valued, and you have a valuable store of treasure within you. Please don't withhold it. Trust that what you have to offer will be received with honor and esteem.

Move into a place of acceptance. Receive only that which is good, healthy, and fulfilling. Walk with your head up knowing you are a person worthy of respect, honor, and love.

We hope the art and the colorful encouragement speak to you. Enjoy life and stay in the flow!
