

**Joyous Sunshine** is the name of this *Inspired Flow Art* piece. The colors in it are:

- Yellow flame representing joy
- Festive red shimmer representing love
- Pumpkin representing radiant positivity
- Berry shimmer representing sweetness

You are the sunshine in the lives of many. Your positivity coaxes forth blooms in others of great depth and complexity. People flourish in the warmth of your wisdom and love.

Resist the urge to let the negative perspectives of others dim your light. Don't listen to the criticism of those who may call you unrealistic for your optimism. For just as the sunlight can coax a seed to sprout and break forth through the soil, your optimism and encouragement can reveal the hidden potential for good in difficult circumstances.

We hope the art and the colorful encouragement speak to you. Enjoy life and stay in the flow!
