

**Gathered Gems** is the name of this *Inspired Flow Art* piece. The colors in it are:

- Light turquoise representing wise pathfinder
- Purple representing heartfelt connections
- Blood orange representing deep rooted gladness
- Smokey blue representing journeys yet to come

Your love of adventure has given you experiences that have shaped you into a beautiful person. Your travels have provided you with gems of wisdom and perspectives that at times came with a price, but nevertheless are treasured. Those you meet on your journey can't help but feel your warmth and sparkle! Even though you are always on the go, you carry "home" in your heart and in your smile and those around you gravitate towards it. Your stories and wisdom shared inspires others to seek more, learn more, and be more.

So share liberally the gems you have collected, knowing that in sharing you are simply multiplying their beauty, not detracting from it. You have so much to give. Rest in the knowledge of your worth. Remember that others' reactions toward you aren't what impact your value, but rather the heart of who you are, which is good.

We hope the art and the colorful encouragement speak to you. Enjoy life and stay in the flow!
