

Expect Joy is the name of this *Inspired Flow Art* piece. The colors in it are:

- Pale yellow representing steadfast, patience
- Yellow representing joy
- Pale lime representing savor
- Chartreuse green representing emerging life

Resist the urge to allow the painful blows of the past cause you to fear the surprises that the future has in store. True joy is pure and childlike. It is timeless and never loses the radiance that it can bring into our lives.

Expect joy to spring forth like flowers appearing after a long, hard winter. One moment the earth seems to be asleep but then, in the next, the landscape explodes into sudden living color. Watch and be expectant for the landscape of your life to transform in the same bright and harmonious way.

Embrace indescribable joy – a joy that has been long awaited, and then suddenly it bursts into view, a happy surprise. Overwhelming joy.

We hope the art and the colorful encouragement speak to you. Enjoy life and stay in the flow!
